

The Danish Microbiological Society

General Assembly

&

**“Evolution and Interactions in gut
microbiomes of various hosts”**

Thursday, March 26th, 2015

GEUS, Theodor Sorgenfrei Auditorium

Øster Voldgade 10, 1350 Kbh K, Entrance N.

Presented in collaboration with Chr. Hansen

CHR HANSEN

improving food & health

Welcome

The Society's annual general assembly takes place in the first quarter of each year and is arranged in conjunction with a scientific symposium on a relevant microbiological topic.

This year, we are pleased to present the symposium "Evolution and Interactions in gut microbiomes of various hosts" sponsored by Chr. Hansen.

Programme

12:30	General Assembly
13:30	Break
14:00	Welcome and opening address By the new chair of DMS
14:10	Learning microbiology from the human microbiome Henrik Bjørn Nielsen, DTU-Center for Biological Sequence Analysis
