

DMS CONGRESS - Preliminary programme
14-nov-22

09:00 Registration & Coffee

09:00 Poster mounting

Room 1

Room 2

10:00 Welcome and opening address by DMS

10:15 Keynote 1 / 1+2

Room 1: Tine Rask Licht,
Professor, Deputy Head of Institute,
National Food Institute, Technical
University of Denmark :
*'Microbial metabolism in the gut – From
diet to host signaling'*

Room 2: Michael Kühl

10:45 Industry symposium 1+2

Room 1 Symcel

Room 2: LumiraDx

11:05 Coffee and exhibition

PARALLEL SESSIONS

Room 1

Room 2

Room 3

11:30

Session 1: Yeast Biotechnology
(Industrial microbiology)

Session 2: Methane, microbes, and climate
(Ecological microbiology)

Session 3: Enteric bacterial pathogens: From
the clinic to vaccine development
(Clinical microbiology)

Chair introduction: Irina Borodina

Chair introduction: Amelia-Elena Rotaru

Chair introduction: Lotte Jelsbak

11:35

Speaker 1

Jana Milucka

Kristian Schønning, PhD, MD, Rigshospitalet
and University of Copenhagen

TBD

Microbial regulation of methane emissions
from seagrass meadows

Resistance in E. coli to penicillin/ β -lactamase
inhibitors including piperacillin/tazobactam, a
first line antibiotic in Danish hospitals.

12:00

Speaker 2

Cornelia Welte

Lotte Jelsbak, Associate professor RUC

TBD

Methanogenesis from methoxylated
aromats

Autoinducer-3 in Salmonella Typhimurium:
From its biosynthesis to physiological role.

12:15

Speaker 3

Amelia Elena Rotaru

Rene Jørgensen, PhD. Scientist at SSI,
Development of a vaccine against Clostridium
difficile infections.

TBD

Symbiotic partners connected by a grain to
make methane

12:30

LUNCH IN THE EXHIBITION AREA

12:45

[GENERAL ASSEMBLY Det Danske Pasteur Selskab]

13-14 POSTER SESSION 1

PARALLEL SESSIONS - speakers will be chosen from submitted abstracts

Room 1

Room 2

Room 3

14:00

"Free" paper session 1: Clinical

"Free" paper session 2: Applied

"Free" paper session 3: Ecology/Basic

Chair introduction

Chair introduction

Chair introduction

14:00

Oral presenter 1 TBD

Oral presenter 4 TBD

Oral presenter 7 TBD

14:15

Oral presenter 2 TBD

Oral presenter 5 TBD

Oral presenter 8 TBD

14:30

Oral presenter 3 TBD

Oral presenter 6 TBD

Oral presenter 9 TBD

14:45

Industry flash presenter 1

Industry flash presenter 2

Industry flash presenter 3

SniprBiome

BioSite

15:00 Coffee and exhibition

15.00-16.10 POSTER SESSION 2

16.10-16.20

Room 1 Lottery

16.20-17.00

Keynote 3: Michael Bang Pedersen

17.00-18.00

Reception with fermented beverages

18.00-21.30

Optional congress dinner (tickets must be purchased)
Dinner starts at 18.30 at Food Club, Madklubben Nørrebro
